

# INDEX

In this index, titles where different from first lines are shown in *italics*.

Please note that the order of songs in this book has been specially arranged to allow all two-page songs to be played without turning the page. Therefore a few songs appear slightly out of alphabetical order.

	Song no.		Song no.
As we seek Your face . . . . .	1	Make us one, Lord . . . . .	23
